POPS 2012 Annual Meeting

The Pediatric Orthopaedic Practitioners Society is a non-profit, volunteer-run organization that exists to advance and enhance the care provided by the Advanced Practice Nurse and Physician Assistant specializing in Pediatric Orthopaedics. By bringing members together we aim to support continuing education, specialized training, research collaboration, mentoring, networking and promotion of our role.

POPS

2012 Annual Meeting

- **General Meeting Information**

- This conference is designed to provide a stimulating learning environment with inclusion of didactic educational sessions, multidisciplinary symposia, research presentations, and opportunities for networking as well as discussion of practice issues. The educational sessions of this meeting are clinical and research topics chosen for applicability to the advanced practice provider in pediatric orthopaedic practice settings. There is a focus on everyday clinical care issues, including physical exam techniques, radiological interpretation and clinical decision making in diagnosis and treatment of common pediatric orthopaedic injuries and illnesses. There is an emphasis on prompting a better understanding of current concepts in common pediatric orthopaedic problems, and to promote autonomy in patient management for the practitioner in a collaborative practice environment.

POPS 2012 Annual Meeting

Housing and Transportation Information (Courtesy POSNA)

Accommodations

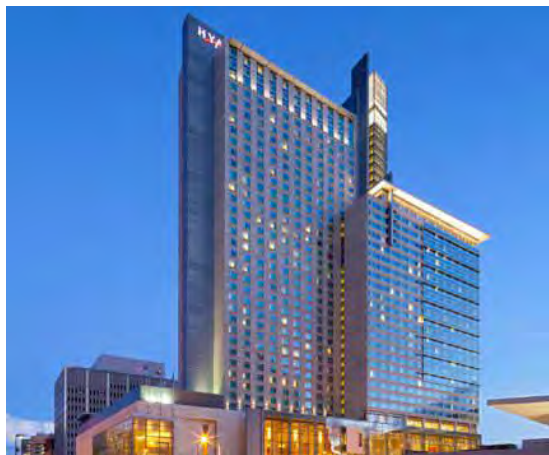

- The Hyatt Regency, in downtown Denver, will be the site for our upcoming annual meeting in May 2012. The Hyatt is a great modern hotel that is the Premier convention site in Denver due to its ideal location and vast array of amenities, leading to its consistent four diamond award recognition. The hotel is walking distance from hundreds of restaurants and bars. Some of the other amenities include: A 24-hour health club including an indoor heated lap pool, full service spa, and excellent facilities for our scientific sessions and meetings. The area outside the meeting rooms is all windows allowing for a unique open atmosphere not present at most meetings.
- 1,100 Spacious Guestrooms, with Stunning Views
- Hyatt FastBoard / PDA Check-in /Wi-Fi in all Public Areas
- FedEx Office Business Center / Enterprise Rental Car Desk
- 35 total meeting rooms
- Extensive prefunction areas
- Adjacent to Colorado Convention Center
- 6,700-square-foot health club including an indoor lap pool, changing rooms, outdoor whirlpool, and sun deck

Susan Dubowy PA-C

POPS 2012 Annual Meeting

Thursday, May 17, 2012

1:15-2:15 p.m.- NP/PA (POPS) Symposium

Neonatology Orthopaedica: Early Assessment of Growth and Development of the Musculoskeletal System

Co-Chairs: Adriana Reinersman, PA-C (*n-none*)

Jessica McCourt, MPAS, PA-C

Speakers: Dr. Alvin H. Crawford, MD

- This program will provide a comprehensive overview of the pediatric orthopaedic assessment of neonates. Commonly seen diagnoses such as club feet and developmental dysplasia of the hip will be reviewed, as well as many “zebra” cases.
- Some examples are Thrombocytopenia Absent Radius (TAR) Syndrome, Arthrogryposis, Poland Syndrome, and polysyndactyly. This information will be helpful when examining newborns in multiple settings from the NICU to the outpatient clinic. This symposium is geared toward Nurse Practitioners and Physician Assistants, but all are welcome.
- **Please note this session is sponsored by POSNA and POSNA registration is required for participation in this lectureship.**

POPS
